While staying true to their country roots and specializing in Country Rock and Outlaw Country music. Based out of Denver, Colorado **THE BECKER BAND**.

The Colorado Country Rock outfit is here to prove they mean business - busting out show-stealing performances with their high-energy songs, which cleverly combine instant new country hooks with timeless old school songwriting.

Inheriting a love of country legends (the likes of Johnny Cash, George Strait and Merle Haggard) and combining it with a love of current country rock, such as Zac Brown Band, Luke Combs and Chris Young LO BECKER BAND performances are not to be missed!

LO BECKER BAND - Lo Becker Vocals & Guitar, Ken Cornell Bass, Rod James Drums - quickly forged their own distinct identity. The band features some great hits that will have you dancing all night and wanting more.
